Manta Lodge, located at the north-eastern corner of the island of Tobago in the sleepy fishing village of Speyside, is nestled on the fringe of the Mountain Rain Forest, the oldest rainforest preserve in the Western Hemisphere. The cozy 22 room property features a number of 'big' amenities - the Green Moray Bar & Restaurant, soft sand beach, full service dive shop, freshwater swimming pool, reading nook with a multi-lingual lending library, endless hiking trails and plenty of room to relax! Each guest room has an ocean vista, private bathroom and porch or veranda, perfect for viewing our spectacular sun rise, nearby Little Tobago, or the host of birds and butterflies flitting amongst the Lodge's flowering bushes and trees. The island of Tobago conjures images of old Caribbean island charm and in addition has spectacular diving. The island is located 760 miles north of the equator and is a year round diving destination. The best diving in Tobago is centered at Speyside where the waters are home to many species of tropical fish, rays, sharks, turtles, and magnificent manta rays! Tobago's forested area has a large biodiversity of animals including over 210 species of birds, 12 different types of mammals, and 23 different types of non-poisonous snakes. Join us for this fabulous destination and see for yourself!
