

DEEP DIVER SPECIALTY

\$295. INCLUDES LEARNING MATERIALS, CLASS/SHORE INSTRUCTION, CERT. CARD.

SDI's Deep Diver Course is a must for any diver wishing to explore a little more, go a little deeper, and learn the risks and benefits associated with deep diving. Many interesting sights lay just beyond open water diver training limits such as: beautiful wall dives, shipwrecks, and critters that don't come into the shallows. The purpose of this course is to provide the necessary training to plan and execute dives that are beyond the depth range experienced during an SDI Open Water Scuba Diver course, specifically beyond 18 metres/60 feet and to a maximum depth of not greater than 40 metres/130 feet. By the end of the course your knowledge, awareness, and comfort level with deep diving activities will have increased.

WHO THIS COURSE IS FOR:

- Any certified open water scuba diver who wishes to expand their diver knowledge and skill set
- Any certified open water scuba diver who would like to advance their dive training

COURSE PREREQUISITES:

- SDI Open Water Scuba Diver, SDI Junior Open Water Scuba Diver, or equivalent
- Minimum age 18, 10 with parental consent

WHAT YOU CAN EXPECT TO LEARN:

How to plan and execute dives that are outside the range of depths that are experienced during an SDI Open Water Scuba Diver course, and more!

Topics from the SDI Deep Diver course include:

- History of dive tables and computers.
- Equipment needed for deep diving.
- Physics and physiology of deep diving.
- Emergency procedures for deep diving and first aid.

SOME OF THE IN-WATER SKILLS YOU WILL COMPLETE INCLUDE:

- **Open Water Dive 1:** Test and check all equipment, i.e. depth gauges, bottom timers/watches and computers, familiarization with area, descend to planned depth and do not exceed any pre-planned limits, dive according to plan at a depth limited to 30 metres/100 feet for first dive, ascend to safety stop.
- **Open Water Dive 2:** Monitor depth/time/air consumption, figure all times on slate, descend to planned depth and do not exceed any pre-planned limit, execute a simulated emergency that is to be assigned underwater by the instructor, dive according to plan at a depth limited to 40 metres/130 feet, ascend to safety stop

WHAT'S IN IT FOR YOU?

You will receive the necessary training that will allow you to venture beyond 60 feet and to a max depth of 130 feet.

THE SDI DEEP DIVER MINIMUM REQUIREMENTS:

Students are required to successfully complete the following:

- Satisfactorily complete the SDI Deep Diver Knowledge Quizzes with a passing score of 80%, followed by 100% remediation by the Instructor.
- Complete all open water requirements efficiently.
- Demonstrate mature and sound judgment concerning dive planning and execution.

HOW TO TAKE THIS COURSE!

- **Sign up for course and receive the learning materials are required for this course.**
- **After completing your learning materials, this class meets at New England Dive for a lecture night, then continues to the in water training on dates decided during the lecture session.**
